

North Carolina Softball Hall of Fame

Through their years of dedication to the games of fast pitch or slow pitch, these individuals have all made significant impact on high school softball in North Carolina as well as on the many players they have been involved with directly or indirectly. In their own ways, they have contributed greatly to the growth and evolution of the game that we enjoy today. The North Carolina Softball Hall of Fame hereby bestows the recognition they deserve.

Greg Jenkins
East Duplin High School

- Years as head coach: 23
- Record (through 2024): 349-162-1
- Conference Coach of the Year 9 times
- Area Coach of the Year 6 times
- NC Eastern Region Champion and State Runner-up: 2003

Coach Jenkins' involvement with softball extends well beyond his program at East Duplin High School where he is considered by many to be the school's founding father of fast pitch softball. His positive influence on young athletes is an asset to his community where his program is well known for its competitive nature. He has influenced North Carolina high school softball for many years through his involvement with the N.C. Softball Coaches Association where he was a founding member. He has served as his district's coordinator, the organization's Eastern Vice-President, and is involved with the state-wide recognition of softball athletes through the association's post-season awards program.

Under his leadership as coach of East Duplin's softball program, his teams have never experienced a losing season. With an overall win percentage of nearly 70%, Coach Jenkins manages to consistently improve and channel the abilities of his athletes, making them a competitive force year after year. Given the normal ups and downs of high school athletics, this is never an easy task.

As a teacher and coach, Coach Jenkins does things the right way and manages to maintain a connection with today's young athletes both in the classroom and on the field.

Kevin Baity

West Forsyth High School

- Years as head coach: 28
- Record: 534-191
- State Championships: 1
- Regional Championships: 3
- Conference Championships: 11
- Conference Coach of the Year: 10

Coach Baity has been coaching fast pitch softball at West Forsyth High School since the switch from slow pitch in the mid 1990's. During that time, his superior coaching ability and knowledge of the game has created a tradition of success that has consistently placed his teams at the forefront of the sport. His teams never fail to provide a formidable challenge for any opponent in a region that is well-known for its high-level softball. His leadership as a teacher and coach motivates young athletes to dedicate themselves to being the best they can be, both in the classroom and on the field. His methods are a vital part of the foundation his players develop to carry them into successful lifetime careers beyond softball. Twenty-three of his many fine athletes have achieved success playing softball at the college level while pursuing their career goals.

Coach Baity is highly respected by his peers. Even though he retired from teaching in 2020, his love of the game continues to keep him in the role of head softball coach at West Forsyth.

Inducted 2024

Deborah Clarke
Fuquay-Varina High School

- Years as head coach: 29
- Record- 438-125
- Five final four appearances
- Eastern Regional Champion: 2009
- Conference Championships: 14
- Conference Coach of the Year: 12 times
- Area Coach of the Year: 3 times
- Fuquay-Varina High School Athletics Hall of Fame member

Throughout her long career as an educator and coach, Coach Clark has touched the lives of countless young people who have benefited from her positive influence. Her record as softball coach certainly speaks for itself. A win percentage of nearly 80% over a 29-year coaching career in a region that is highly competitive in the world of high school softball is an elusive accomplishment! The expectations she demands of her student-athletes both in the classroom and on the field have helped thirty-one of them to go on to play college softball.

Coach Clark has been a consistent positive force in her community off the field as well. As a skilled teacher, she has been described as a top mentor, advisor, counselor, and disciplinarian. She readily steps into whatever role that is needed to help boost her players, students, and peers.

Inducted 2024

Chelsea Leonard Martin, PT, DPT
Central Davidson High School, University of Louisville

After a stellar playing career and coaching at the collegiate level, Chelsea Martin continues to be closely associated with softball. She is currently a certified sports physical therapy specialist and pitching consultant. She is involved in studying athletics injury specifically as it relates to the throwing sports and is an authority on injury prevention. She actively works to promote the softball athlete's general health and wellness and is a sought-after speaker at clinics and seminars.

Coaching Career (2013-2016)

After serving as a volunteer assistant coach for Bellarmine University in 2013, Chelsea joined University of Pittsburg's coaching staff in 2014 as pitching coach. She then joined the staff at Georgia Southern University, working as pitching coach in 2015 and 2016.

University of Louisville (2010-2013)

Chelsea was a vital part of University of Louisville's softball team during her college career, which culminated in 2012 when she claimed the pitching staff's lowest ERA, most game strikeouts, and gave up zero home runs for the season. Her opponents batted a mere .194 against her. She also led the NCAA with 12 saves in 2012, which stands at third place on the all-time college softball record list.

Central Davidson High School (2006-2009)

North Carolina Gatorade Player of the Year- 2008

State Champion pitcher- 2007, 2008, 2009; State runner-up pitcher 2006.

Remains in the top five for Career No-Hitters, Consecutive Wins, Career Shutouts, Career Strikeouts, and Season Strikeouts

Remains in the top ten for Most Wins (season and career) and Most Perfect Games (career)

Recorded an unmatched high school career strikeout rate of 2.29 strikeouts per inning pitched.

Inducted 2023

Karen Dull
East Forsyth High School

During her 26 years as East Forsyth's head softball coach, Coach Dull accumulated accolades on a regular basis. Beginning in 1985 in the days of slow pitch, transitioning to fast pitch, and continuing until her retirement in 2011, she was a tremendous coach and mentor for the many young women who played for her. During her coaching career she accumulate seven conference titles and a win-loss record of 357-216. She was also coach of the year six times in her conference and region. East Forsyth High School recently honored her by naming its softball field after her.

She had numerous players go on to play college softball in every division. Prior to high school's 1996 switch to fastpitch, she even had players who were able to transition from the slowpitch game and win spots on college fastpitch rosters.

Coach Dull has also had a big influence on softball in North Carolina beyond her program at East Forsyth. In 2004, she participated in founding the North Carolina Softball Coaches Association and continues to serve as a member of its executive board. She was instrumental in the creation of the association's scholarship program which she continues to manage. To date, she has overseen the awarding of over \$40,000 in scholarships to former high school softball players as they enter college.

Inducted 2023

David Poplin
South Stanly High School

- Record (thru 2024) 365-128
- 2 state championships
- 1 state runner-up
- 3 Western Regional championships
- 1 Western Regional runner-up
- 4 Final Four appearances
- 11 conference championships

Taking over South Stanly's softball program in 2005, Coach Poplin began his tenure as a teacher, mentor, and head softball coach that continues today. Over the years, he has created a notable presence in the world of high school softball in North Carolina.

Despite his school being very small in terms of student enrollment, his 1A program has become one that is never taken lightly by opponents. In fact, teams in all classifications who want to challenge their players with quality opponents, seek to include South Stanly in their schedules. Opponents who travel to South Stanly know they can count on facing great competition at an excellent facility.

Coach Poplin is highly skilled not only at game tactics and reading his opponents, but also teaching his players the nuances of the game and leading them to perform at the highest level possible. Many of his players have gone on to play at the collegiate level. Indeed, college coaches likely keep South Stanly on their radars as a dependable source for quality players.

In 2022, Coach Poplin led his team to the best record in the history of South Stanly softball finishing as state champions at 30-3 for the season while facing one of the strongest schedules in the state (quantified by Max Prep ratings) regardless of classification. This is quite notable because in high school softball in North Carolina, 30-win seasons are extremely elusive, having been achieved over the years by only a tiny handful of coaches.

Inducted 2022

Robbie Wray

Middle Creek High School

Coach Wray joined Middle Creek's softball staff during the new school's first year, working to help build the program from the ground up, then taking over as head coach two years later in 2005. That year, his team bagged the school's first championship in any sport when they took first place in their conference tournament. Three years later his 2008 team made the program's first final four appearance, finishing as North Carolina's 4A Eastern Regional runner-up in a tradition of success that has seen every one of his teams become state playoff qualifiers. He notched his second final four appearance in 2014 as his team again finished as Eastern N. C.'s 4A runner-up.

Coach Wray has also made a big impact beyond his own softball program. Through the years over 90% of his players have achieved academic all-conference honors, a feat greatly influenced by his skill as a mentor and role model. While some of his players have gone on to achieve success as players at the collegiate level, all are now building on their softball experience and demonstrating their worth as successful citizens.

His positive impact has also been felt by North Carolina's entire softball community through sixteen years of energetic participation in the North Carolina Softball Coaches Association. During that time, he served as the organization's president, and was a strong motivator in advancing the quality of NCSCA's programs as well as working to improve the organization's partnership with North Carolina Amateur Sports and the annual State Games High School Softball Showcase tournament.

Coach Wray was inducted into Middle Creek High School's Athletic Hall of Fame in 2013 for the contribution he has made to Middle Creek athletics through his excellence as a teacher, softball coach, and golf coach. Retiring from coaching softball in 2019 he became Middle Creek's athletic director and continued in that role until his retirement from teaching in 2023. Because of his strong desire to continue involvement with high school athletics, he resumed coaching in 2024, taking over as head softball coach at his alma mater, Fuquay-Varina High School.

Inducted 2022

Wesley Kidd

Myers Park, West Stanly, Andrew Jackson (S.C.)

North Carolina:

- 34 years as a head coach
- 529 career wins (ranks third on the all-time win list)
- 12 conference championships; 12 conference tournament championships
- 12 times conference Coach of the Year
- 5 final eight appearances; 5 final four appearances
- 2-time state runner-up
- 2013 State Champion
- 2011 recipient Homer Thompson Memorial Award

South Carolina:

- 3 district championships, 1 lower state championship, 1 state runner-up

Coach Kidd has had many accolades in Softball, not to mention his time as a football and girls basketball coach. But all these awards are just a drop in the bucket compared to the influence he has been to his players, school, and community. He has been an outstanding mentor, colleague, and fierce competitor on the field. His teams have always been well prepared, having been taught by one who knows the right way to play. He has always been quick to compliment the play and work ethic of his opponents. He is a true gentleman in our game that anyone can learn from in just a few minutes of talking with him.

Inducted 2022

Mike Williams
Graham High School

- Teacher at Graham High School for 34 years
- Athletic Director for 26 years
- Coached JV and Varsity Basketball for many years
- As of 2019, has coached Softball for 34 years at Graham High School
- Worked as assistant coach at Southern Alamance for four years.

During his many years of coaching, Mike (“Coach Willie”) has won over 420, games and has been ranked in the top 5 in the state of coaches with most games won. In 2015, he was an assistant coach in the North Carolina East/ West Basketball all-star game. He has served numerous times coaching in the North Carolina Powerade State Games all-star softball event, winning gold twice.

Mike has proven himself to be a great asset to high school softball in North Carolina through his long-time involvement in the NCSCA. He is a great advocate for not only his own players at Graham, but for all players throughout his region.

Inducted 2019

Derrick Hill

East Wilkes High School / East Surry High School

- Softball Coach 1999-2013 East Surry; 2016-present East Wilkes
- Record (thru 2018): 359-95 (304-66 at East Surry)
- 6 state championships
- 1 state runner-up
- 5 regional titles
- 8 sectional titles
- 8 conference titles
- 9 conference tournament titles
- 7-time conference Coach of the Year
- The only North Carolina high school softball coach to win 4 consecutive state championships
- Member of Surry County Sports Hall of Fame

Derrick's philosophy, "success is determined by how well the girls do AFTER they leave", is part of what has made him outstanding as a teacher, mentor, and coach. Through his skillful approach during their impressionable years, his students and players typically achieve much success in their later endeavors. Former players have gone on to play softball at the college level at rates seldom seen from small rural high schools such as his.

Derrick's involvement with softball in North Carolina has not been limited to his own program. A founding member of the North Carolina Softball Coaches Association, Derrick served as District 7 chairperson during the organization's early growth and was instrumental in establishing strong support from coaches throughout his region.

Derrick volunteered his assistance during the establishment of the first State Games showcase competition for North Carolina high school softball, serving as Region 7 underclassman and seniors coach during the first four years of that event.

Inducted 2018

Miranda Ervin Rodriguez Shaina Ervin Dabbs

Hopewell High School / NC State University / College Coaches (various) / T2 Softball Training

Miranda (Catcher)

- Co-Owner of T2 Softball Training, Burlington, NC
- Drexel University, Head Coach
- Carolina Diamonds NPF League, Assistant Coach
- Queens University, Head Coach
- Team Fiorini Professional Softball (Italy), Player and Assistant Coach

Shaina (Pitcher)

- Co-Owner of T2 Softball Training, Burlington, NC
- Georgia Tech, Assistant Coach
- University of Tennessee-Chattanooga, Assistant Coach
- UNC-Greensboro, Assistant Coach

The Ervin twins began their long dedication to softball as a very successful pitcher/catcher battery at North Mecklenburg High School. Moving as juniors to the new Hopewell High School they led the school's softball team to back-to-back North Carolina state championships. Joining NC State University's inaugural softball team, they had a dramatic impact on the new program as they were key in propelling the Wolfpack to its first ACC championship by year three.

After stellar careers as players, Miranda and Shaina devoted their talents to coaching, serving on a variety of staffs at the college level. Today, they have joined forces and created their T2 Softball Training facility and program. T2 Softball, located in Burlington NC, supplies a much-needed resource available to aspiring young softball players.

Inducted 2018

Gene Poindexter
Central Davidson High School

- Softball coach: 2000-2011
- Record: 273-65
- Six consecutive final four appearances
- 3-time state champion
- 2-time state runner-up
- 7 conference championships
- 2008 team finished ranked 5th in the nation
- Was voted Conference Coach of the Year 7 times
- Member of Davidson County Sports Hall of Fame
- Founding member of NCSA

Few coaches have had such an impact on their program in so short a time. After taking over the Central Davidson program in 2000, Gene was able to convert what had been an average program into a conference winner by his third season and a state contender by his fifth season. In 2008 his team was one of only two North Carolina high schools to be recognized nationally in fastpitch softball by USA Today/National Fastpitch Coaches Association polling. He has had numerous players go on to be successful college players. At one time or another during his thirty-year teaching career, he also coached football, basketball, baseball, and cross country, as well as serving as the school's athletic director.

In 2013, Gene joined a small group of unique and highly honored individuals in his community when he was inducted into the Davidson County Sports Hall of Fame.

A founding member of the NCSCA, Gene served as its first District 5 chairperson and played a key part in the creation of the first All-State selection process in North Carolina for fastpitch softball. He was the Region 5 and then Seniors State Games head coach during the Powerade State Games' first two years of high school all-star competition.

Inducted 2017

Mike Langone

Northeast Guilford High School

- Schools: Burlington Cummings, Chatham Central, River Mill Academy, Northeast Guilford
- Years with schools:
Cummings 1987-1993; Chatham Central 2003-2013; River Mill 2014-2018
- Record: Chatham Central 155-51
- NCSCA Member and officer since 2005
- NCSCA President 2013-2017
- Seven time medal winner as a head State Games Softball Coach

Mike has been a moving force in the athletic programs of the four high schools where he has taught and coached during his 36 year career. His time at Burlington Cummings involved him as an assistant coach in three state championship teams. Then, moving to Chatham Central, he guided the Bears' softball program to being a competitive force in their conference including two conference championships and numerous state playoff appearances.

After retiring from Chatham Central, Mike took up the challenge once again and worked to build the softball program at River Mill Academy, before moving to assume head coaching duties at Northeast Guilford High School.

Since its early days, Mike has been an enthusiastic supporter of NCSCA. He recognized early on, that not only does North Carolina high school softball need coaches to sign up and be members, but it also needs members who are willing to roll up their sleeves and jump in to physically help run things. His involvement with the association has included serving as its secretary, then as its president during a time of change and increase in membership. North Carolina high school softball has benefited greatly through his willingness to work as the association's spokesperson with both North Carolina Amateur Sports' State Games and the North Carolina High School Athletic Association.

Inducted 2017

Jim Welborn

Assistant Softball Coach, Central Davidson High School 2001-present

Coach Welborn has been an important part of the North Carolina Softball Coaches Association since he joined as a founding member in 2004. He has been instrumental in the development of the processes that give the organization its ability to consistently carryout its affairs. He continues to be heavily involved in the behind-the-scenes work that takes place but is rarely publicly apparent.

As a member of the Central Davidson high school softball staff, Coach Welborn has been a cornerstone of the continued development of their fastpitch program. Beginning in 2001, Central Davidson softball developed rapidly into a powerhouse that has included three state championships and several final four appearances, as well as winning numerous conference championships. Coach Welborn is a key part of a coaching staff that over the years has developed numerous outstanding players, including several who have been very successful at the college level.

Inducted 2016

Billy “Chief” Gerald

Pitching Coach, North Davidson High School 1996-present
Founder, San Bill Softball Pitching Academy

During his notable career in the United States Air Force, Chief Gerald participated in military fastpitch softball leagues as much as his spare time would allow. During that time, he learned the art of pitching. After retirement from active duty in 1996, he took a job as ROTC instructor at North Davidson High School. It wasn't long before he was drawn to North Davidson's softball diamond where he began to help out with training the school's pitchers. His military experience, personality, and knowledge of pitching rapidly lead him to become an excellent instructor.

Chief Gerald's love of the game and his desire to teach young people have motivated him to utilize every opportunity to further understand the mechanics of pitching and advance his teaching skills. He has attended countless clinics and developed important contacts throughout the world of fastpitch. Today, he is recognized as one of foremost pitching instructors in the United States. His former students include some of the most well-known and most successful high school pitchers that North Carolina has produced. One can find his current students in starting positions on many high school and middle school teams in the central North Carolina region.

Chief Gerald's efforts at and beyond North Davidson High School have played a very important role in the growth and success of fastpitch softball in North Carolina.

Inducted 2014

Buck and Judy O'Shields

Concerned parents who aggressively pressed for the major changes that led to the switch from slowpitch to fastpitch in North Carolina high school athletics.

- Years of Service: 1989-present
- Residence: Wilmington, NC

Buck and Judy were the driving force behind the inception of an organization known as the North Carolina High School Girls Fastpitch Softball Association. Against formidable odds their group began, fought, and won the battle to bring women's fastpitch softball to high school athletics in the state of North Carolina.

By 1989, North Carolina was one of only two or three states that at the high school level, still played slowpitch softball rather than fastpitch. Colleges all played fastpitch, meaning the opportunity for North Carolina's young women to win scholarships to play college softball essentially did not exist. So Buck and Judy began writing letters and organizing meetings to initiate change.

In the early 1990's, they presented numerous requests with sound justification to the softball rules committee of the North Carolina High School Athletic Association in the face of courteous indifference from the administrators in charge at that time. During 1991-1993 they wrote countless letters and succeeded in getting numerous high school and college coaches involved in their effort. Still the authorities showed no desire to make changes.

In early 1994 they made an appeal to the U.S. Department of Education's Office of Civil Rights to enlist help under Title IX. In the fall of 1994, fastpitch softball began as an option along with slowpitch in North Carolina high schools. In 1996, NCHSAA eliminated slowpitch in favor of fastpitch.

Today, high school fastpitch in North Carolina has advanced to the forefront of softball as a national sport. Our athletes play the game as well as any in the nation. Thanks to something that Buck and Judy started and pursued with persistence, North Carolina women have the opportunity to compete and can be found on the rosters of college softball teams all across the southeast and the nation.

Crystal Cox

Central Cabarrus High School 1999-2002 (player)

- University of North Carolina, Chapel Hill 2003-2006 (player)
- Set numerous state records during her high school career, many of which have not been surpassed
- Career strikeouts: 1455
- Career innings pitched: 747.2
- Career perfect games: 17
- Career no hitters: 37
- Season shutouts: 26
- Pitched 8 perfect games her senior year, a state and national record at the time

Over two decades after her high school career ended, her name remains at or near the top in more than a dozen categories in the North Carolina High School Softball Record Book. To have achieved this level of skill at a time when high school fastpitch in North Carolina was still in its infancy is quite remarkable. Crystal's achievements as a player have now become a set of goals every young pitcher in North Carolina strives to attain. While a tiny handful have reached this elite level, the vast majority have not.

Eddie "Pop" Rivers was a major driving force behind the establishment of the North Carolina Softball Coaches Association. As the President of the organization from October 2004 to 2010, he has helped create an organization that has been an advocate for young women playing softball in and around North Carolina. Pop was instrumental in getting the State Games to include softball in their annual event, which allows countless girls an opportunity never before given to them. Because of Pop's tireless efforts, NCSCA has been able to give North Carolina high school softball coaches and players a voice recognized throughout the state that helps promote their safety and best interests.

In addition to that work, Eddie headed a successful softball program at Forest Hills High School from 1984 until he retired in 2014.
